

Kaleidoscope Out of School Club

Coronavirus / Covid-19 Agreement

I acknowledge the contagious nature of Coronavirus and that the latest government guidance recommends practising social distancing and a range of other protective measures.

I recognise that Kaleidoscope has put in place a series of protective measures to reduce the risk of Coronavirus transmission within the setting, but I accept that Kaleidoscope cannot guarantee that my child will not be exposed to Coronavirus whilst attending the club.

I understand that I must follow the procedures set out by Kaleidoscope when dropping off and collecting my child from the setting.

- Please accompany your child/ren to the correct door (see separate email), following the entrance and exit signs marked.
- 1 parent/carer should accompany their child to and from Kaleidoscope at any time.
- When dropping off or collecting your child/ren we are requesting that only one family is on the ramp leading up to the door at any time to maintain safe social distancing. Please could you queue at the bottom of the ramp keeping a safe distance, while waiting for the person before you to exit.
- We would encourage children and adults not to touch the door handle or ring the bell. Staff are in an ideal position to see you coming onto the playground, so we will open the door for your child to enter. If for any reason you arrive and a staff member has not seen you, please ring Kaleidoscopes phone or knock on the door and a member of staff will open the door for you.
- Staff will sign your child in and out of Kaleidoscope in your presence.
- We are requesting that parents/carers do not enter the building. Staff will welcome you and your child at the door where you will get time to say Goodbye to your child before leaving.
- If a situation arises where you are requested by a staff member to enter the building, hand sanitiser will be available for you to use and a Coronavirus Health Checklist for you to sign before entering.
- Please maintain social distancing whilst coming in and out of the school and waiting on the playground.

I understand the importance of vigilance regarding Coronavirus symptoms as a keystone of preventing the transmission of the virus to other children, staff and parents. Accordingly, I confirm that:

- My child is not experiencing any Coronavirus symptoms such as cough, shortness of breath or difficulty breathing, fever, muscle pain, headache, sore throat, or new loss of taste or smell.

- My child has not tested positive for Coronavirus, or been advised by NHS Test & Trace to self-isolate.
- My child has not been in contact with anyone in our household who has Coronavirus symptoms, or who has been advised by NHS Test & Trace to self-isolate.
- My child has not travelled abroad to any country other than those identified as 'safe' by the government within the last 14 days.
- My child is capable of following the club rules relating to protective measures, such as, washing their hands regularly, coughing and sneezing into a tissue and disposing of it safely, and not touching other children. I understand that if they are unwilling to follow the rules they may not be allowed to attend future sessions.

If any of the above circumstances change, I will not bring my child in to the club and will notify the club staff immediately.
